

Top 3 performing pizza

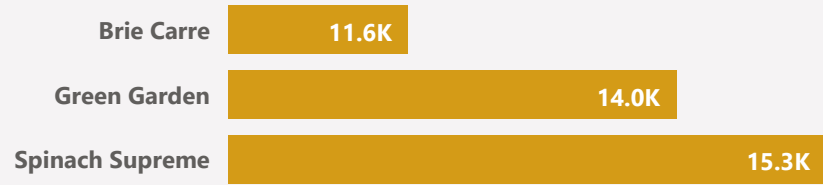

Chicken pizzas M&L size performed better because customers often order it together with other kinds of pizzas

Avg order value by Month

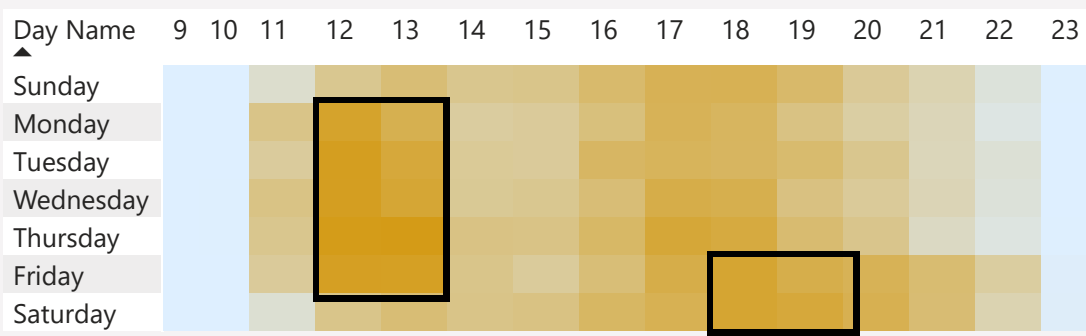

- November has the highest quantity of pizza in an order and its total order value is 2.5% more than the average order value

Least 3 performing pizza

- Other pizza should be made in larger size. The Greek pizza is the only pizza that sold above large size pizza
- Brie Carre Pizza should be made in Large size as it the second ordered pizza for pizza in small category

Busiest Hours

- Peak hours are in the launch and dinner time.
- We recommend you employ part time staffs to assist in the evenings on Fridays and Saturdays
- Opening hours should be 11am-10pm
- Create more tables for 2 persons order

Average occupancy rate is 19% and peak occupancy rate is 31%

% Occupied seats per hour
